Explosion

If prompt evacuation is necessary, use the fire alarm—continuous alarm.
Immediate cover is to be taken if we do not evacuate.

Staff

1. Render first aid as necessary.

2. Maintain a list of persons transported for medical care and to which hospital they have been taken.

3. Await further instruction.

On - Site Administrator

1. Assess situation and consider:

   A. Medical needs

   B. Evacuation needs

   C. Emergency response needs.

2. Notify Williamson County Sherriff's Office.

3. Render first aid as necessary.

4. Campus Administration will report the situation to others as necessary.
